what is considered by many to be the greatest memoir ever written by a navy seal reads like an epic novel and a warfare manual at the same time usnavyseals.com during the vietnam era many of the navy seals never filed for a purple heart unless they were severely wounded thomas h. keith master chief seal team 2 is living proof he carries a piece of shrapnel behind one lung a reminder of the day he called in 40mm mortar fire on the enemy who was trying to catch up to his crew as they hauled ass out of the bush seal warrior is his story the vivid gritty transportive memoir of a third generation soldier for whom serving his country was not only an honor it was tradition but while his grandfathers fought in france and his father's position as a us navy chief took him all around the world tom keith fought his first war in the jungles of vietnam seal warrior goes beyond the horror and bravado of battle to offer a deeper insight into the ways in which the seals fought learned reacted and expanded their understanding of guerrilla warfare during the vietnam war it's also a personal riveting account of how one young american survived and over time grew to trust and revere many of those who once had been his enemy the author delivers a superb nuts and bolts account of the weapons gear preparation and tactics his unit employed he includes frustrations along with triumphs this is an excellent chronicle of superbly skilled warriors at work publishers weekly

giulio cesare brancaccio was a neapolitan nobleman with long practical experience of military life he was also a virtuoso bass singer whose performances were praised by both tasso and guarini richard wistreich examines brancaccio's life in detail and considers the mental and social world of a warrior and courtier with musical skills in a broader context he also illustrates the use of music in the process of self fashioning and the role of performance of all kinds in the construction of male noble identity within court culture including the nature and currency of honour chivalric virtù and sixteenth century notions of gender and virility in relation to musical performance

with the sudden and immature death of the author this work which was planned to comprise 21 volumes has had to end with the 18th from a number of students and art critics requests have reached the publisher and myself that an index should be made of the volumes which have been published herein their desire has been satisfied this general index is divided into two parts one for names of places so that with the greatest ease and without loss of time the student can find all the italian paintings from early christian times up to the end of the quattrocento which are scattered throughout the churches galleries and private collections of europe and america for the larger towns the material is divided into the following headings i churches and monasteries ii public collections iii public buildings and streets iv private collections and this order though not indicated has always been followed for the smaller localities the second division contains the names of artists each one accompanied by dates and where possible an indication of the site of his activity the chief aim of this index is to make it easier to consult the enormous amount of material treated in the 18 volumes for the traveller who desires to know what paintings are to be found in any town this index should be a valuable vade mecum

an inspirational manifesto for asian american women offering a bold game plan for women to discover themselves and use their power
